1 1 SPAT BONE

1. The first part of the paper is devoted to a discussion of the general principles of the theory of the structure of the atom.

2. In the second part, we shall consider the question of the influence of the external magnetic field on the atomic structure.

3. The third part of the paper is devoted to a discussion of the question of the influence of the external electric field on the atomic structure.

4. In the fourth part, we shall consider the question of the influence of the external magnetic field on the atomic structure.

5. The fifth part of the paper is devoted to a discussion of the question of the influence of the external electric field on the atomic structure.

6. In the sixth part, we shall consider the question of the influence of the external magnetic field on the atomic structure.

7. The seventh part of the paper is devoted to a discussion of the question of the influence of the external electric field on the atomic structure.

8. In the eighth part, we shall consider the question of the influence of the external magnetic field on the atomic structure.

9. The ninth part of the paper is devoted to a discussion of the question of the influence of the external electric field on the atomic structure.

10. In the tenth part, we shall consider the question of the influence of the external magnetic field on the atomic structure.

11. The eleventh part of the paper is devoted to a discussion of the question of the influence of the external electric field on the atomic structure.

12. In the twelfth part, we shall consider the question of the influence of the external magnetic field on the atomic structure.

13. The thirteenth part of the paper is devoted to a discussion of the question of the influence of the external electric field on the atomic structure.

14. In the fourteenth part, we shall consider the question of the influence of the external magnetic field on the atomic structure.

15. The fifteenth part of the paper is devoted to a discussion of the question of the influence of the external electric field on the atomic structure.

16. In the sixteenth part, we shall consider the question of the influence of the external magnetic field on the atomic structure.

17. The seventeenth part of the paper is devoted to a discussion of the question of the influence of the external electric field on the atomic structure.

18. In the eighteenth part, we shall consider the question of the influence of the external magnetic field on the atomic structure.
